## **BLACK SEED OIL:**

Black Seed Oil	"A remedy for every illness except death!"  Black seed oil is cold-pressed from the seeds of the Nigella sativa plant and is a rich source of essential fatty acids (EFAs). It is used as a nutritional supplement and has powerful anti-inflammatory, anti-bacterial and anti-viral properties. In particular, black seed oil can be used to alleviate symptoms of arthritis, eczema, acne, and psoriasis. Researchers believe the active ingredient in black seed oil to be thymoquinone, a phytochemical that has a strong influence on key mediators of inflammation. The oil is referred to using a variety of names: Black Seed, Black Cumin, Kalonji, Kulunji. Take 5ml once daily, no less than 2 hours before or 2 hours after chronic medication <b>100ml R120</b>

## **DIATOMACEOUS EARTH: (D.E.) ..... “food grade”**

Diatomaceous Earth (D.E.) “food grade”	<b>NB: If you are on any chronic medications, take Diatomaceous Earth 2 hours prior to OR 2 hours after your medications.</b> <b>Diatomaceous Earth (D.E.) ~ Food Grade</b> <b>50g D.E. loose powder R40</b> <b>250g D.E. loose powder R160</b> <b>80g DE Shaker R65</b> <b>20's 600mg Filled D.E. Capsules R30</b> <b>120's 600mg Filled D.E. Capsules R160</b> <b>720's 600mg Filled D.E. Capsules R770</b>  ► <b>WHAT is DIATOMACEOUS EARTH?</b> Food Grade freshwater Diatomaceous earth (DE) is a fine powder made from the fossilized remains of tiny microscopic shells created by one-celled plants called Diatoms. Food grade DE is fresh water origin and untreated. This ensures it consists of amorphous Silica, as opposed to crystalline silica. Approved by the MCC and Dept. of agriculture. ► <b>BENEFITS:</b> •Works against allergies •Assist with food allergies •Lower cholesterol •Improve Digestion, absorbing more nutrients and flushing out waste. •Remove Toxins (especially heavy metals) •Lowering of blood pressure •Relief from arthritis pain •Increased energy •More regular bowel movements •Smoother complexion •Sinus and cough
---	--

	<p>relief. •Stronger hair and nails •Eliminate Head Lice •Eczema / Psoriasis •Acne •Nail fungus •Natural insect repellent .... And many more</p> <p>► <b>SIDE EFFECTS:</b> •Because DE is highly absorbent, it may have a dehydrating effect. Take DE with sufficient water. •Fresh water D.E. is on the "Generally Recognized as Safe"-list of FDA of USA, as well as the Directorate of Food Control for South Africa. Silicon Dioxide occurs naturally in the body. •Some "detox" symptoms may occur during 1<sup>st</sup> week, simply increase water intake. •If you are suffering from any medical condition, it is advisable to seek medical advice before starting any new medicine, supplement or remedy. •Do allergy test before use. •Not for pregnant women.</p> <p>► <b>HOW TO USE:</b> Take 5ml to 15ml DE in morning on empty stomach, mix with 250ml still water, followed with another glass clear still water. (Take 4-6 capsules per day). ► <b>CONTAINS:</b> Food Grade fresh water Diatomaceous earth (DE) is a fine powder made from the fossilized remains of tiny microscopic shells created by one-celled plants called Diatoms. Food grade DE is of fresh water origin and untreated. This ensures it consists of amorphous Silica, as apposed to crystalline silica. *Store @cool room temp. *Keep lid on at all times. ► This DE product has been approved by MCC &amp; Dept. of agriculture.</p>
